Objective

As a recent graduate with a strong background in web development, programming, and data analysis, I'm eager to contribute my skills to a forward-thinking organization, engage with communities, and continue growing professionally in a dynamic environment

Experience

- EaseMyHood** August 2023 - Present
Web developer
Developed and maintained responsive websites, ensuring optimal user experience and functionality. Collaborated with cross-functional teams to implement web designs.
- EThus** Jan 2023 - August 2023
Software Developer trainee
Developed and maintained web-based applications using Java, JSP, JavaScript, HTML, CSS, and AJAX.
- Collaborated with the development team for timely project completion.
- Eyesec Cyber Security Solutions Private Limited** June 2022 - September 2023
Full Stack web developer
Developed and tested code for web applications using HTML5, CSS3, JavaScript, PHP, and MySQL.

Education

- Modern English school** 2015
SSLC
70%
- B T Patil and sons polytechnic Nippani** 2020
Diploma in computer science and engineering
72 %
- Basaveshwar Engineering College Bagalkot** 2023
Bachelor of Engineering in Information science and engineering
6.5CGPA

Skills

- Android Development, I learnt Python, OpenCV, Firebase, React.js jQuery, HTML, Data Science Bootstrap, Machine Learning, CSS, Data Structures, JavaScript, Data Analytics, DBMS,PHP.
- Express/Django/Flask/Rails, SQL/NoSQL, Git, APIs, Responsive Design, Graphic Design Basics, Testing/Debugging, Command Line, Deployment/CI-CD, Security Awareness, Soft Skills.

Academic Projects

- **Major project: smart refrigerator using artificial intelligence and machine learning**
Led award-winning Smart Refrigerator project integrating AI and IoT, enhancing food quality assessment and shelf-life prediction. Developed user-friendly Android app for control and real- time monitoring, showcasing expertise in AI, IoT, and sustainability
- **Mini Project: Medical donation system**
Created a user-friendly medical equipment donation platform, demonstrating web development skills, secure database management, and intuitive UI design. Contributed to improving healthcare accessibility for those in need.
- **Diploma project: QR based attendance system Android app and website**
Led Android app development for streamlined attendance tracking, featuring QR code scanning, academic records, and event management. Showcased expertise in Android development, Java, HTML, CSS, and Bootstrap.
- **Data Analysis for Market Research**
Led data analysis project using Python, prioritizing data quality, and advanced visualization for insightful communication. Significantly improved market understanding, facilitating data-driven decisions that drove business growth.

Internship

- Interned as a web developer, contributing to front-end and back-end tasks. Collaborated on feature implementation, bug fixes, and database management. Gained hands-on experience with technologies such as HTML, CSS, JavaScript, and worked within a team to deliver responsive and functional web applications.

Achievements & Awards

- Best project of the year for smart refrigerator using AI and machine learning from the department of information science and engineering basaveshwara Engineering College Bagalkot

Language

- English, Hindi, Marathi, Kannada

Interests

- Web Development Programming and Technology ,Data Analysis and Data Science ,AI and Machine Learning, Community Engagement Volunteering, Continuous Learning ,Problem Solving, Languages Cybersecurity.

Certification

- Android App Dev - KotlinDevX: Udemy 2023
- Computer Vision with Python: Udemy
- Web Dev Masterclass: Udemy
- Data Science Bootcamp: Udemy
- Diploma in Python, Data Science, ML:Udemy
- Adv. Diploma in DS & ML, Data Analytics: NIIT Limited
- IBM Watson - Build Chatbot: IBM
- ResponsiveWeb Dev Masterclass:Udemy
- Google Certified Educator Level 1 & 2: Udemy
- AWS Certified Developer
- Google Professional Developer Cert.
- Microsoft Certified: Azure Developer Assoc.
- MongoDB Certified Developer
- Certified Full Stack Java Developer
- React Developer Certification
- Node.js Developer Certification
- Certified ScrumMaster (CSM)
- Certified Ethical Hacker (CEH)
- CompTIA Security+
- CertifiedKubernetesApp Developer (CKAD)

Volunteer

- - Data Analyst, Data for Good Foundation
 - Cultural Coordinator, Basaveshwar Engineering College (A), Bagalkote, October 2022 - February 2023
 - Database Administrator, Doctors Without Borders APAC, June 2019
